

Things Are Not Always What They Seem

Two biblical truths:

1. The devil is a liar and a deceiver ([John 8:44](#)).
2. God is truth and He cannot lie.

[Hebrews. 6:18](#) says, "It is impossible for God to lie."

Conclusion: - We must trust in the message that God has revealed and not lean on our own understanding ([Proverbs. 3:5](#)). And beware of the lies of the devil.

In today's world we see in the news that something is happening in the Ukraine. The mainstream media wants us to believe that this is the start of World War 3. They are playing on people's fears. So we need to be careful about what we accept and don't accept.

The Bible says "fear not" over 100 times.

If you listened to the prophet Hank Kunneman this week. He said we cannot believe everything we are told. It could be a lie of the Devil. He recommends praying, but pray in tongues, because we could pray for the wrong things to happen.

I have heard reports that Putin and Russia are only taking out strategic targets. Military strongholds, and the like.

I heard that they have knocked out 7 bio-labs located in 7 different cities. Could these bio-labs be like the lab in Wuhan China? So taking them out could be a good thing. Bill Gates has already told us that the next variant is on the way. Maybe the next variant just got bombed by Putin.

I heard reports that many of the leaders in the Ukraine are Neo-Nazi's. These would be evil people. Putin has demanded that these leaders be thrown out by the Ukraine military. So this also could be a good thing.

Since **things are not always what they seem** we must listen to the God of truth and trust in what He says. It is a matter of faith.

What does God say:

Romans 8:28 - And we know that all things work together for good to those who love God, to those who are the called according to *His* purpose.

1. Jesus said, "The truth will make you free" ([John. 8:32](#)).
2. It is not about what you think or feel, but about what is true.
3. There are all kinds of false messages out there.
4. But we must place our trust in the prophetic message of God ([2 Pet. 1:19-2:3](#)).

Therefore we must trust God and not lean on our own understanding.
